

## **STATEMENT OF PURPOSE**

### **RS18882**

The stated purpose of this bill is to make three changes in Section 36-106, Idaho Code, to clarify actions that shall take place before the transplant or relocation may take place. It provides for certain agreements, provides that domestic sheep and livestock operators will be held harmless from adverse impacts by the State of Idaho, provides for control of certain bighorn by the Director, and that the shared veterinarian program between IDA and IDFG be dissolved. This bill also deletes a reference to that veterinarian in Section 36-408.

### **FISCAL NOTE**

There should be no fiscal impact to the General Fund. There will be an expected impact to the Department of Fish and Game; however, because of the unknowns as to if and when any actions may be required the amount is unknown at this time.
